Designed Smart.

Maximum Versatility

- Holds a variety of foods with different merchandising options:
 - Pizza Racks with four shelves holding pizzas up to 18" D.
 - Pretzel Rack capable of holding 36 large pretzels.
 - Sandwich or Crispy Chicken racks with four shelves.
- Pizza and Pretzel rack options utilize a Revolving stainless steel spindle, creating the maximum product appeal and sales. Rack stops revolving when door opens.
- Handles Crispy or Moist Food equally well with unique combination of Air Convection Heater and Humidity Water Heater.
 - Air Convection Heater features a 700-Watt system.
 - Humidity Water Heater utilizes a 500-Watt system and a 3-quart water holding unit.
- Rear door is reversible to allow for placement in all tight corners or counter set-ups.
- Convertible to a front-access self serve model with Pass-through door option (HDC-4P).
- Able to switch form one product group to another with minimal parts and graphics accessories.

Easy to Operate and Maintain

- Labor for filling water heater is minimal. Water Heater can hold enough water for 6 hours of operation at the high setting.
- Easy to stock pizza, pretzels or other foods and access product through heavy-duty hinged doors in the back.
- Features a Water Heater Warning Light that will alert employees to re-fill water in tank. Water Heater will disconnect if water runs out in tank.
- Stainless steel interiors and exteriors are easy to wipe clean.

Built Solid.

Built for Long Life!

- Constructed of stainless steel and tempered glass for maximum durability.
- Light bulb illuminates food on display.
